What A Wonderful World

George David Weiss and Bob Thiele

Slow $\frac{1}{4} = 80$

I see grass of green, red roses too; I see them bloom for me and you, and I think to myself what a wonderful world

Ah the bright blessed day, the dark sacred night, and I

skies of blue and clouds of white, the bright blessed day, the dark sacred night, and I

think to myself what a wonderful world

The colors of the rainbow, so

think to myself what a wonderful world

The colors of the rainbow, so

pretty in the sky, are also on the faces of people goin' by, I see friends shakin' hands, sayin'
How do you do? They're really sayin' "I love you." I hear babies cry, I watch them grow;

"How do you do?" They're really sayin' "I love you." I hear babies cry, I watch them grow;

they'll learn much more than I'll ev'er know, and I think to myself, what a wonder-ful world. Ah when I see skies of blue and clouds of white, the bright bless-ed day, the

dark sacred night; then I think to myself what a wonder-ful world. Oh oo

dark sacred night; then I think to myself what a wonder-ful world. Oh oo
